

Minutes of October 13th 2014 Meeting
Marshfield Energy and Climate Change Committee
Solar Subcommittee

Attending: Anne Miller, Rich Phillips, Dan Chodorkoff, Wes Cate

Commence: 7:05 PM

Adjourn: 7:40 PM

Business:

- 1) No modifications to the agenda
- 2) No public for comment
- 3) Approved the minutes of the September 22 nd subcommittee meeting without change
- 4) Rich updated on the Twinfield Project. The RFI was to be issued today. Rich was able to identify three additional companies that have provided the type of project package the school is seeking
- 5) We decided which members will pursue which focus items identified at our 9/22/14 meeting.
 - a) Anne and Dan will prepare the solar financing options flyer for town meeting and posting on our website.
 - b) Rich and Michael will prepare the project to expand solar at OSC for consideration by the selectboard and possible placement on the 2015 warning. We may or may not be ready for Town Meeting 2015.
 - c) Ed and Wes will further evaluate the current payback on solar water heating and try to identify the circumstances when solar heating is likely to be the cost effective choice.
- 6) We agreed on the minutes of this meeting
- 7) Next Meeting Agenda:
 - a) Review progress of the assigned teams
 - b) Provide guidance
